

RFC DOCUMENTS
NON-EXCLUSIVE LICENSE

WHEREAS, the undersigned (“Licensor”), alone or jointly with others, is the author of all or portions of one or more documents in the Request for Comments (RFC) Series beginning with RFC 1 dated 7 April 1969, which includes the permanent publications of the IETF, (the "Documents"), and/or the assignee of certain rights therein, and

WHEREAS, Licensor hereby wishes to grant to the IETF Trust, a Virginia Trust (“Licensee”), without warranty of any kind, a license under any and all copyrights that it may have in and to such Documents (“Licensor’s Rights”);

NOW THEREFORE, without limiting the effect of any prior license, assignment or transfer, Licensor hereby grants to Licensee, under all Licensor’s Rights, without warranty of any kind, and Licensee accepts, a non-exclusive, perpetual, irrevocable, worldwide, paid-up, royalty-free right and license retroactive to the date of creation of the documents, including the right to sublicense, to reproduce, publish, distribute, modify, translate, excerpt, combine and create derivative works of the Documents and any portions thereof in any and all media, and otherwise to exploit Licensor’s Rights in and to the Documents and any portions thereof in any manner whatsoever.
