

Announce-TLP-3-20090905

Greetings!

This message is to announce that the IETF Trustees have reached consensus on a new version of the Trust Legal Provisions (TLP), to be effective 12 September, 2009. The Grace period for old-boilerplate will begin on that date, and last through 12 December, 2009.

The new document updating the Trust Legal Provisions was approved by the Trustees after a consideration of "last call" comments in a telechat on September 3rd, and is available from

<http://trustee.ietf.org/policyandprocedures.html>

or directly at

<http://trustee.ietf.org/docs/IETF-Trust-License-Policy.pdf> .

Informally, this version has been referred to as "TLP Version 3.0."

The requests for comments for this change were issued on June 23, 2009 1:32:05 AM EDT and updated July 18, 2009 12:55:41 PM EDT, in messages entitled

Proposed Revisions to the IETF Trust Legal Provisions (TLP)

The Trustees would like to thank everyone who participated in the vigorous discussion about these changes.

The Trustees request that discussion of this response be on the tlp-interest list, [tlp-interest@ietf.org](mailto:tlp-interest@ietf.org), with cc to [trustees@ietf.org](mailto:trustees@ietf.org) . This list can be joined here

<https://www.ietf.org/mailman/listinfo/tlp-interest>

A description of the changes from the previous Legal Provisions, those

effective 15 February 2009 and to be obsoleted 12 September 2009, will be provided on that list.

Regards  
Marshall Eubanks
