1. Conflict of interest declarations

No conflicts of interest have been declared today.

2. Approve minutes from September meeting

The minutes from the September Trust meeting were approved and will be posted on the Trust website.

3. CC0 license consultation - next steps?

The community consultation period for the IANA CC0 license has ended. Trustees will discuss with IANA.

4. Website update

The new version of the website is almost finished. Trustees reviewed the new web form people can use to request licenses for use of the IETF logo and trademarks.

5. Publishing & licensing discussion

The Trust and IETF need to agree on a license for certain works that are created by the IETF or its contractors. John will draft a consultation request and Glenn will ask the attorneys what license they recommend.
