Trust Agenda

1. Minutes
2015-03-25
2015-04-28

A motion to approve the minutes of March 25th and April 28th 2015 was moved by Scott and seconded by Tobias. Minutes are approved.

2. License File
Scott informed the group of a request from the IESG to task Jorge with creating a file that can be used on GitHub and the like to notify users when GitHub is being used for IETF work such as in the development of an Internet Draft. The file will include pointers to the IETF IPR and contribution rules.

There was no objection for Jorge to proceed. No monies will be necessary to complete this task.

3. AOB

Meeting was adjourned by Benson at 1:10pm EDT.
