2. Trust Agreement Amendment Language

   The community provided feedback on proposals to amend the Trust Agreement. The conclusion was that there was not community support for changing Trust authority with regard to licenses under these circumstances, but there is support for disposing of physical assets and trademarks with appropriate controls.

   Jorge drafted language to send to the community to effect the disposition of assets as follows:
7.1 Powers and Obligations of Trustees.
(a) Except as limited by this Agreement, the Trustees shall have all powers granted by law and shall be responsible for and may take such actions as are required to assure the effective day-to-day operation of the Trust. However, except as otherwise expressly permitted hereunder, the Trustees shall not, and shall not have the right or power to, (i) exchange, distribute, assign, sell, transfer, renounce, or convey, the Trust Assets, (ii) terminate the Trust Assets’ registration, or (iii) enter into a license for, grant an option on, or encumber the Trust Assets that is not in compliance with the provisions of Section 9.5.

ADD

except that in the case of clauses (i) and (ii), the Trustees may, after due consultation with the Beneficiary, dispose of, assign, sell, transfer, renounce, convey or terminate Trust Assets that are of no current or foreseeable future value to the Beneficiary and which require the expenditure of funds to retain.

Scott moved that the language be forwarded to the community for review, and Randy seconded.
